

About The ATHOC Foundation

Each year The ATHOC Foundation raises funds through events such as golf days, award dinners and donations. These funds are available to provide grants to individuals or families facing a crisis.

Timeshare employees and owners are eligible to nominate potential recipients for a grant from the ATHOC Foundation.

The ATHOC Foundation Board will assess all nominations received and reserves the right to decide which nominees will receive a grant. Grants may be in the form of a holiday or other assistance as deemed appropriate.

Foundation Patron: Margaret May MP Member for McPherson, Gold Coast

Margaret May was elected to the House of Representatives as the representative for the Electorate of McPherson on the southern Gold Coast in October 1998. Margaret's community involvement is varied and she holds executive positions on the Gold Coast Titans, the Bond University Medical Degree Advisory Committee and the Gold Coast Community Fund to name a few. And of course, the ATHOC Foundation.

Margaret is a great supporter of the timeshare industry and has been instrumental in helping ATHOC gain direct access to Canberra.
